

# Daily generation of e-way bills gathers pace in early Sept

DAILY E-WAY bill generation for goods transportation under the GST system came in at 20.97 lakh in the first five days of September, 7.5% higher than the daily average for the first eight days of August, indicating continued momentum in economic recovery, reports **fe Bureau** in **New Delhi**. The daily average e-way bills for the first five days of September were, however, marginally lower (1.4%) than the daily average of 21.26 lakh for the full month of August. **PAGE 2**
